Re: MUR 4875

Dear Ms. Boyt:

As we discussed on the telephone, this office represents New Jersey Network (officially known as the "New Jersey Public Broadcasting Authority" or "NJPBA"), which is the respondent in the above-referenced matter, and I am writing to request a thirty (30) day extension of NJPBA's time to respond to the complaint. NJPBA's records show that your letter noting the docketing of the complaint was received at its office on December 28, 1998; therefore, a thirty-day extension, if granted, would extend the due date until February 11, 1999.

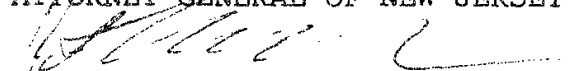

The reason for which the extension is requested is that, due in part to NJPBA's receipt of the complaint during the holidays, as well as the inclement weather in New Jersey, the personnel who possess the information necessary to prepare a response have not been available.

We will submit our response as soon as possible. Additionally, I will forward the counsel designation form to you as soon as I have received it from NJPBA.

Sincerely yours,

PETER VERNIERO  
ATTORNEY GENERAL OF NEW JERSEY
